Subject: Application for Approval of In-House Project - AI-Based Web Application for Placement Preparation

Respected Sir/Madam,

We, the undersigned students, wish to seek your approval and guidance for our in-house project titled **"AI-Based Web Application for Placement Preparation."** Our team, comprising **Parth Bramhecha, Adwait Borate, Anshul Jethani, Shreyash Ingle, and Smit Deshmukh**, is highly enthusiastic about developing an AI-powered web platform to assist students in their placement preparation journey.

Objective:

The primary goal of this project is to design and implement a user-friendly, AI-driven platform that will provide a personalized, data-driven experience to help students excel in technical interviews, aptitude tests, and core subject assessments. The project will leverage **MERN Stack, Python, and Generative AI** to enhance interactivity and efficiency.

Key Features:

1. **Course Monitoring** – Tracks learning progress and engagement using YouTube API.
2. **AI-Based Interview Assistance** – A chatbot for mock interviews.
3. **DSA Sheet Integration** – Categorized problem sets with tracking features.
4. **Core Subjects-Based MCQs** – AI-generated MCQs for core subjects.
5. **CV Analyzer** – Automated feedback on resumes.
6. **Placement Analytics Dashboard** – Insights into placement trends and hiring patterns.
7. **Event notification** – Allow Admin to create virtual event and push notification on dashboard.

Expected Outcomes:

- Development of a comprehensive platform for systematic placement preparation.
- Enhanced user engagement with AI-driven recommendations and analytics.
- Improved placement readiness among students through interactive learning and structured guidance.

We kindly request your approval for this project and look forward to your valuable guidance and feedback. Please let us know a convenient time for further discussion. We are eager to receive your support and work under your mentorship to successfully develop this platform.

Thank you for your time and consideration. We hope for a positive response.

Yours sincerely,

Date: 29/11/25
